

Please complete and send to:

City Brew Corporate Office
Donation Request
PO Box 22209
Billings, MT 59104

Each year City Brew Coffee donates our product to hundreds of nonprofit community groups and also donates thousands of dollars in other merchandise. We believe in giving back to our community and supporting its organizations and local events. Due to an increasing number of inquiries, we need at least 30 day advanced notice request.

We try to accommodate as many donations as possible, but we are not able to support everyone, every time. Please fill out this form explaining the purpose of your organization, who it benefits, and what you would like as a donation. All requests will be considered and responded to in a timely manner. Thank you for thinking of City Brew.
