

Each year, City Brew Coffee donates our product to hundreds of nonprofit community groups and donates thousands of dollars in other merchandise. We believe in giving back to our communities and supporting its organizations and local events. Due to an increasing number of inquiries, we need at least a 30-day notice.

We try to accommodate as many donations as possible, but we are not able to support everyone, every time. Please fill out this form explaining the purpose of your organization, who it benefits, and what you would like as a donation. All requests will be considered and responded to in a timely manner. Thank you for thinking of City Brew Coffee.

Please send completed form to:
